

آموزش عدم دریافت پیام های تبلیغاتی در پست الکترونیک دانشگاه الزهراء(س)

برای این منظور مطابق تصویر بر روی ایمیل مورد نظر **Right Click** نمایید و گزینه **Mark as Junk** را انتخاب کنید.

The screenshot displays the Outlook interface. On the left, the navigation pane shows folders like 'Inbox 1', 'Deleted Items', and 'Junk Email [20]'. The main pane shows a list of emails. A context menu is open over an email from 'Eric' dated '5/19/2016'. The menu options include 'Delete', 'Mark as unread', 'Flag', 'Move', 'Ignore', 'Stop ignoring', 'Categorize', 'Create rule...', and 'Mark as junk'. The 'Mark as junk' option is highlighted with a red rectangular box. The right pane shows the details of the selected email, including the sender's name 'Eric <zfre>', the date 'Thu 5/19/2016', and the subject 'Deleted Items'. The email body text is partially visible, starting with 'To: Sonia Sabet; Dear Sir/Madam, Thanks a lot for your att... Glad to know your comp... research & manufacturir... digital PBX, GSM PBX, d... With regard to our PAB... suitable for SMB busines... are suitable for enterpris... hospital, apartment, buil... The advantage for our P... need special programmi... performance price ratio... So far our PABX already... And we are also the OEN... Currently we are looking... other.'
